THIS IS AN ESTIMATE UNTIL ACCEPTED BY THE STUDIO.

All payments are applied toward the total order.

PAYMENT TERMS

1. RETAINER / DEPOSIT - NONREFUNDABLE

The initial retainer is NONREFUNDABLE and is required to reserve the Studio and event date. Unless a different amount is written above, the payment schedule is: 1/3 of the Total Due upon acceptance, 1/3 ninety (90) days before the event, 1/6 sixty (60) days before the event, and the remaining 1/6 due at delivery. The initial retainer is applied to the total price but remains nonrefundable to the fullest extent permitted by applicable law.

2. CANCELLATION / RESCHEDULING

Because the Studio reserves the event date and may decline other work, the initial retainer is nonrefundable to the fullest extent permitted by applicable law. If Client cancels, amounts already earned for work performed and non-recoverable expenses remain due. A requested reschedule is subject to Studio availability and may require a written amendment; amounts paid will be credited to an accepted replacement date unless otherwise stated in that amendment.

3. LATE / FAILED PAYMENT

If a required payment is not received when due, Studio may suspend planning, editing, delivery, or performance after reasonable notice. Studio is not required to attend or perform an event for which the required pre-event balance has not been paid.

4. TAXES / EXTRA COSTS

Client is responsible for applicable sales or similar taxes and for approved out-of-pocket costs such as parking, permits, venue-required fees, travel, lodging, shipping, or other special services requested by Client, if stated in the order or approved in writing.

4. COPYRIGHTS & CLIENT LICENSE

Studio owns the copyright in the video recordings and edited works it creates, except for third-party materials. Client may not sell, license, or commercially exploit Studio footage without written permission. After full payment, Studio grants Client a personal, non-exclusive license to view, share, and make reasonable personal-use copies of the delivered wedding video. Music and other third-party content remain subject to their owners' rights.

6. LIABILITY OF STUDIO

Studio will use reasonable professional care. If performance or completion becomes impossible because of an event beyond Studio's reasonable control - including serious illness or injury, casualty, equipment loss despite reasonable backup practices, venue restrictions, severe weather, transportation interruption, government action, or similar force majeure - Studio may attempt a reasonable substitute, reschedule, or other cure. To the fullest extent permitted by law, Studio's aggregate liability arising from this agreement will not exceed the amounts actually paid by Client under this agreement. This limitation does not apply to liability that cannot legally be limited.

7. SPECIAL REQUESTS

Special requests, including table shots, guest interviews, specific songs, same-day edits, drone footage, or other add-ons, must be listed in the order or later approved in writing. Studio will make reasonable efforts but cannot guarantee every requested person, moment, angle, audio source, or shot because weddings are live events and are affected by timing, lighting, crowding, venue rules, weather, and participant cooperation.

8. EXCLUSIVE OFFICIAL VIDEOGRAPHER / COOPERATION

Studio is retained as the exclusive official videographer for the services requested unless the parties agree otherwise in writing. Client will use reasonable efforts to inform guests and vendors not to obstruct cameras, microphones, lighting, or crew. Studio is not responsible for missed or degraded footage caused by interference, venue restrictions, officiant rules, guest devices, photographer positioning, poor lighting, unsafe conditions, or delays outside Studio's control.

9. EDITING, CREATIVE CONTROL & CHANGES

Client acknowledges Studio's creative discretion regarding camera placement, selection of footage, editing style, color, audio treatment, pacing, and final program length. Unless otherwise written in the order, the edited version will not exceed ninety (90) minutes. Client must request included editing changes within four (4) weeks after delivery. Requests outside the included scope, or after that period, may be billed at Studio's then-current editing rate if accepted.

10. DELIVERY, FILES & ARCHIVING

Delivery method, target delivery date, and included products will be stated in the order or written communications. Estimated delivery dates are not guarantees unless expressly stated as a firm deadline. Client should promptly download and back up delivered files. Unless a longer period is stated in writing, Studio may delete project files and raw footage one (1) year after final delivery and is not obligated to retain raw footage indefinitely.

11. MUSIC / THIRD-PARTY RIGHTS

Client is responsible for any music, images, logos, recordings, or other materials Client supplies and represents that Client has permission to provide them for the requested use. Studio may refuse material that creates a reasonable copyright, privacy, or legal concern.

12. SAFETY & DRONE OPERATIONS

Studio may stop or modify work when conditions are unsafe or unlawful. Drone services are subject to weather, airspace restrictions, venue/property permission, pilot judgment, and applicable aviation rules; inability to fly a drone does not by itself constitute failure of the overall videography services unless drone coverage is separately priced and no reasonable substitute or credit is provided.

13. DISPUTES / GOVERNING LAW

This agreement is governed by the law of the state where Studio's principal place of business is located at the time of signing, without regard to conflict-of-law rules. Before filing suit, the parties agree to make a good-faith effort to resolve any dispute directly. Venue for any lawsuit will lie in a court of competent jurisdiction where Studio's principal place of business is located, unless applicable law requires otherwise.

14. ENTIRE AGREEMENT / CHANGES / SEVERABILITY

This agreement, the completed order fields, and any written addendum accepted by both parties are the entire agreement and replace prior oral discussions about the same services. Changes must be in writing or in an electronic record accepted by both parties. If any provision is unenforceable, the remaining provisions remain effective to the fullest extent permitted by law. A waiver on one occasion is not a continuing waiver.

15. ELECTRONIC RECORDS & COUNTERPARTS

The parties agree that this agreement may be completed, delivered, retained, and signed electronically. A typed, drawn, or platform-applied electronic signature adopted with intent to sign will be treated as a signature to the extent permitted by applicable law. Electronic and paper counterparts may be treated together as one agreement.

ACKNOWLEDGMENT & SIGNATURES

By signing, each signer states that they have authority to enter this agreement, accept its terms, acknowledge receipt or the ability to retain a completed copy, and intend their electronic signature to bind them.
